Independent Living

In our locally owned & operated Retirement Community, City View supports you in living the retirement you want, where you want, how you want. We take care of the little things so that you can enjoy more time with friends and family, doing the things you love. Our activity schedule is full of great programs to keep you entertained, engaged, healthy and happy. Our staff are here to help you get out of your room and engaged in living your retired life to the fullest!

Assisted Living

Your care is at the heart of everything we do. Some residents require very little support, and some require a variety of supportive care services. City View will customize your care plan if you need supports with medications, personal care, showers, meals, lifts, transfers, portering and laundry. Staff will design your care plan with you to best suit your needs and choices.. Our Wellness Team of Nurses, and Personal Support Workers are available to ensure that you are supported in all of your care needs, 24 hours per day, 7 days per week.

Respite or Convalescent Care Stays

City View Retirement offers short stays designed to suit those in need of a little extra support after a hospital stay, injury or even for those who are want to have a trial stay to ensure that retirement living is the best fit for you before making a permanent move. Short stay packages are offered at affordable daily rates, in fully furnished studio suites.

Memory Care Unit

'Aging in Place' is how we meet your needs, where you are, when you need us. We are specially designed for safety and security. Our Memory Care unit has its own private dining room, activities calendar and care staff. Our Memory Care unit is a unique and innovative approach to care, supporting the evolving care needs of our residents. We strive to provide the most comprehensive care experience possible for all of our residents.

Fine Dining at City View

Our Chefs provide daily home-cooked and nutritious meals served 3 times daily, in our beautiful and elegant main floor dining room. We are able to accommodate most dietary needs and wishes, provide two seating times for meals and two meal options. In addition, we have monthly fine dining events that are complete with theme-based meals, entertainment, and activities. Our server is available to residents 24/7 which offers juice, coffee, tea, cookies, fruit and healthy snacks. for your convenience.
